

1993 Soleau Software EGA/VGA Releases

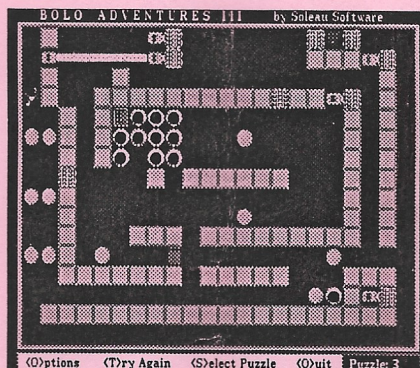

The registered versions of these releases can also be ordered from our Special Bonus Pack Order Form

BALLOON CHALLENGE

Balloon Challenge is a logic, arcade game where your objective is to launch 25 air balloons into a sky maze filled with many different obstacles. Play against the computer or a friend while avoiding planes, hurricanes and much more as you acquire more points the higher you can get your balloons into the sky. Use your balloons to strategically block your opponent in your quest for the highest scores.
